VULCAN ADVOCATE

VOL. V, NO. 41

VULCAN ADVOCATE, May 8, 1918.

PRICE \$1.50 PER YEAR

COUNCIL HAD A BUSY SESSION ON MONDAY

Arrange for Sidewalks to All Parts of Village and Introduce New Bylaw

The council had a busy session on Monday evening when they met in full at the office of the secretary-treasurer. Much of the time was taken up in going over a plan of the townsite and arranging where the new sidewalks would go. The following streets are to have them: Juno street, block 8; Neptune street, block 7 and 10; Vulcan street, block 7, 10 and 11; Apollo street, block 7, 10, and 20, and out to the schoolhouse, Park avenue, block 20, Pacific avenue blocks 5, 6, 7, 8. This will mean about 4,740 feet of 4 feet sidewalk and 300 feet of 6 feet sidewalk to be laid. Tenders for lumber are to be asked for.

The curling club is to be asked for a settlement of account.

A bylaw in regard to burning rubbish was passed and the practice is now prohibited within the village limits.

A turning pole is to be placed opposite the Imperial hotel, bearing the legend "Keep to the right," and there is a penalty for infringement.

The picture show has to pay a license of \$100, and the management will be asked to conform to the provincial laws governing picture houses. This means another exit and chairs fastened to the floor. Circuses and tent shows, excepting Chautauquas are to be taxed \$50.

A bylaw prohibiting the running of stock within the limits of the village was read, and a notice of same appears in this issue. All animals with the exception of milch cows are to be kept off the streets and open places. Milch cows are to be allowed to run only between the hours of 7 a. m. and 7 p. m.

FIELD AGENT'S OFFICE AT LETHBRIDGE

The provincial department of agriculture has opened a Field Agent's office at Lethbridge. The chief purpose of the office is to promote greater production of food for the soldiers of Great Britain and her allies. The duties which the field agent is prepared to undertake are:

To assist farmers in securing labor, to advise farmers where and how seed grain may be obtained, to arrange for the renting of unused lands by persons who can make use of them, to give information regarding available equipment and labor to those who wish to break land, to give assistance in the identification of weeds and also in their eradication or control, to enlist the interest of farmers in employing and fitting inexperienced soldiers to settle on lands, to give assistance wherever possible in other matters which constitute problems to the farmer.

The office is open for four months, April, May, June and July, and every farmer in the district is invited to place his needs before this office. The phone number is Lethbridge 1603.

"THE WOLF"

Playgoers in Vulcan will shortly have the opportunity of witnessing that thrilling, human drama of life in the wild northwest "The Wolf."

Very seldom does the Canadian theatre patron find shown upon the stage a picture of life in his own country. It is for this reason that "The Wolf" has an especial appeal to Canadian men and women. It is a play that will thrill the heart of the Canadian boy and girl, and inspire them with courage in emulation of the brave men out in the fastnesses of a far country, blazing the trail for the generations to come.

The United Producing Company has secured this powerful drama, and has engaged a talented company of New York players to interpret the characters, each of which is a perfect study, by a writer who has lived in the wilds and has been intimately associated with the folk he has portrayed.

The play tells a graphic story of thrilling interest and excitement. The attention of the audience is kept on edge until the last curtain drops.

HAS YOUR AUTOMOBILE JOINED THE CHURCH?

"There can be doubt that the automobile has come in as a factor in our social and business life. It has also affected in a measure our religious duty. It both helps and hinders Church attendance," says the Rev. Schrag, "and with these points in view there will be a frank discussion of this matter that ought, in all fairness both to the Church and the motorist, to be heard. It will be at the evening service on Sunday night, and I shall be glad to see as many motorists as possible in the congregation."

NO COMMISSIONS ATTACHED

Some people have the idea that the canvassers for the Y.M.C.A. fund, which is taking place at present, are in receipt of a commission on what they collect. This is erroneous. The collectors do not receive one cent for what they do. They are donating their services for the good of the cause.

MOTHER'S DAY SUNDAY 12th

An unique commemoration of Mother's Day for the Vulcan Church at the Sunday morning service. There will be unveiled a Cradle Roll of the little ones that belong to the Church. The minister will speak on religion and the home. This service will be of special interest to all parents, and it is earnestly hoped that there will be a good attendance.

LOCAL ITEMS

The result of the Red Triangle canvass for the first day was \$248.60.

Mr. L. Backhouse arrived in town yesterday.

The Vulcan Co-Operative company made a shipment of hogs to Calgary last week. They were handled by the U. G. G.

Mr. Christopherson, who bought Mr. Steed's farm in the Queenstown district had the fingers of his left hand badly crushed while he was working on a gasoline engine last week.

Last year the council prohibited the burning of rubbish within the town limits as a precaution against fire. This year the bylaw was overlooked until this week, and prior to that many fires had been going without let or hindrance. One resident, however, started one but it was seen by the authorities and it was not many minutes before the fire-fighting apparatus put an end to the clean-up blaze.

Mrs. Steeves and Mrs. W. J. Morton were visitors to Calgary on Wednesday.

Mr. and Mrs. A. Mitchell were in Lethbridge yesterday. When in Lethbridge a few days Mr. Mitchell had his car damaged, another motorist having run in to it.

Mr. and Mrs. M. L. Gordon and Mr. and Mrs. Buck were High River visitors for Sunday.

The Ladies Aid are at present rehearsing a play which will be produced in the course of two or three weeks. The title of the play is "The Ladies' Aid business meeting at Mowhawk crossroads."

Mr. and Mrs. Steeves are moving this weekend to Halkirk, where Mr. Steeves has a real estate business.

Mr. A. G. Dickinson and Mr. C. E. Henry motored to Calgary last weekend.

A week from Saturday, May 18th, Messrs. C. C. Rebbe and C. B. Shimp will hold an auction sale at Vulcan, and cordially invite anyone who wishes to dispose of any of their surplus stock, machinery or furniture, to list same with C. B. Shimp. Commission for selling 5 per cent.

Mr. R. W. Gibson, who was with the Bank of Commerce here some time, left on Tuesday evening for his home in Montreal, where he will enlist.

FATS WIN BALL GAME

It was cold for baseball, but Butler's fats took Robson's leans to a cleaning in a fast hard hitting game. Butler did the chucking for the Fats and put all kinds of wrinkles on the ball. His pitching and the hard hitting of Kid Spooner were features. Robson had some likely looking leans on his club and with proper eats and training will give the Fats a hard tussle in the next game. The star player was taken from the game, and some think it was a put up job, to enable the Fats to win, for the score was in favour of the leans when Flood was called.

Both teams will have new signals for the next game, and hope to put on a good exhibition of the popular pastime. There was no collection taken as the crowd was small, but hope to have better attendance and weather for the next game, which date will be announced later.

Batteries—Fats—Butler and Isham. Leans—Robson and Seivert, Umpire—Silk Beatty, Score—Fats 9, Leans 6.

ARE GETTING AWAY TO A GOOD START

A pretty fair attendance of the Board of directors of the Agricultural Society met on Saturday afternoon, and the following important items of business were transacted:

The prize list was reviewed and various committees were appointed to handle the various departments. The cultural and productive works of the school children was worth special attention. The various schools within a radius of approximately fifteen miles are being asked to co-operate. The Women's section will be handled by a committee of women both of town and country, and the poultry enthusiasts are really busy. A competition which will be new to the district will be a piano forte playing competition, and a vocal competition for the prizes which have been donated.

New buildings are under consideration, and the benefactors who so kindly offered special prizes last year are on the list, and additional new ones are being canvassed. The directors have in mind the holding of a dance of which public notice will be given shortly.

The Society welcomes any suggestions looking toward a better fair. Write or phone to any of the directors and officers. Put new life and pep into the Fair. Make it a credit to the district. Remember, it is a one-day fair, Saturday, August 3rd.

Mr. Downey, provincial inspector of poolrooms was in town on Monday and during his inspection laid complaints against two offenders who were using bad language. They were brought before the magistrate and fined \$15 and \$5 respectively.

CHINA TO BE REPRESENTED ON THE WESTERN FRONT

It is reported that 40,000 Chinese troops are on their way to the Western Front. Left, Li Yuan Hung, ex-president of China; Right, The President Feng Kwe Chang; Below, General Yang Chang, commander of China's military forces. He was formerly Minister of war.

HAD NARROW ESCAPE

Mr. George Keck, who is working on Mr. E. B. Rench's farm, had a narrow escape from death on Saturday last, and it was only his presence of mind that saved him. He was driving a four-horse team with a packer when the horses took fright. In their mad career they straddled a cow which was crushed to death beneath the packer. The impact with this animal threw Mr. Keck from his seat on to the double trees behind the horses and immediately in front of the packer. He hung on there and was dragged for some distance, knowing that if he let go he would be crushed. Seizing his opportunity he made an effort to swing himself clear of the packer. His effort landed him clear with the exception of his left foot, which sustained three broken bones when the packer went over it.

The Blackie district supplied three loads of cattle for the MacLean sale in Calgary last week.

CHAMPION FORMS RED TRIANGLE COMMITTEE

Mr. W. A. Leavitt, of Lethbridge, representing the National Y.M.C.A. movement, met a number of the Champion business men last Friday morning. The meeting was held in the parlor above the Carmichael and Trevelthick offices. Mr. Leavitt stated in a few words the object of his visit namely to establish a local Y.M.C.A. organization which would co-operate with the National Council of the Y.M.C.A. in its endeavour to raise a Red Triangle fund of \$2,250,000, this sum being necessary to meet the enormously increasing demands of the Y.M.C.A. war service at home and overseas for the year 1918. The speaker intimated that an objective was being set before each district throughout the province, and the objective for Champion would be \$2,500. After Mr. Leavitt had spoken the following committee was appointed to outline and plan the work in the district: Chairman, George Mark; secretary, treasurer, C. J. Kidd, Mr. Murchison and the Rev. Mr. Haddon. This committee will get down to business right away.

RED CROSS SHIPMENT

The following is a list of the shipment made on May 1st, by the local branch of the Red Cross Society. It is the largest shipment sent so far from Vulcan.

21 surgical coats, 13 nurses aprons, 130 bed pan covers, 96 personal property bags, 43 many tailed bandages, 40 T bandages, 20 flannel binders, 201 cotton binders, 40 socks, 10 wringers, 6 day shirts, 122 pillow cases, 4 pyjamas, 56 slings, 1 wristlet, 22 amputation covers, 1 nurse sleeve. Total 826 articles.

ALL IN LINE FOR BIG RED TRIANGLE DRIVE

NAMES WANTED FOR HONOUR ROLL

During the past few days a number of young men throughout the district have answered the call under the Military Service Act and a number of them will be drafted. It is desired that their names be added to the Honour Roll of local men who have gone to the war, and the Rev. A. R. Schrag will be glad to receive such names.

JUNE 22nd IS DATE OF REGISTRATION

The Ottawa Citizen says: "It is practically decided that Saturday, June 22, will be selected as the date for the national registration of Canada's man and woman power. Arrangements are now being perfected by the registration board and every one will be called on to give an account of his or her present occupation and what they may consider themselves qualified for in other lines."

NO NEED FOR WORRY ON CROPS

According to reports gathered by financial and railway agencies in the province, wheat seeding in Southern Alberta was on Saturday night 90 to 100 per cent finished. North the seeding is finished but in the south and eastern part of this district there is some land yet to be seeded to wheat.

The oat crop is 20 to 65 per cent seeded according to locality. Barley and flax percentages are somewhat lower. Provided good rains are received shortly the flax acreage on new breaking will be very heavy.

Reports from Calgary this morning were that it was raining there, and the farmers are hoping that the Lethbridge district will be visited before long. The precipitation in May 1917, was only 9-10 of an inch which is away below the ten year average. This raises the hope that this year's precipitation in May will at least be up to the average of about 2 1/2 inches.

MUST RETURN ALL SURPLUS FLOUR OR BE HEAVILY FINED

The following wire was received from J. D. McGregor of the Canada Food Board:

Please give widest publicity to the fact that the order recently issued dealing with the hoarding of flour is most emphatic and unless all consumers return surplus flour to dealers before the 15th of May they are subject to fines from \$100 to \$1,000 or three months' imprisonment, or both and the surplus flour to be confiscated to the crown. All police officers, Dominion, Provincial or police have power to enforce the law and are ready to do so. Personally I would urge every one to return the flour to their dealers before the fine and confiscation clause becomes effective on May 15. Ignorance of the law is no excuse. "Any miller or dealer found encouraging excessive purchases of flour will be liable to the withholding or cancellation of license. This last clause is a special warning to millers and dealers due to the fact that within the last two weeks sales of flour from mills for domestic consumption, have been heavier than is usual at this season of the year."

CALLING UP ALIENS IN ONTARIO NOW

The Ontario Provincial Registrar is now engaged with the problem of calling up the aliens between the ages of 20 and 22 who are in Category "A" and steps are being taken to see that all such go through the routine toward military service in the same manner that the Canadian boys have been going for some months. The instructions from Ottawa state that these men will have to be given places in noncombatant services.

The aliens to be called up are those especially mentioned in the War Times Act, who were granted exemption under that measure, inasmuch as they were deprived of the vote.

\$2,500 Is Objective Which Will Be Collected Without Trouble

As pointed out in the last issue of the Advocate the Red Triangle Fund is most worthy of the generosity of the people of Vulcan and district. There is no conflict or overlapping between the work of the Y.M.C.A. and the Red Cross, rather is the one complementary to the other, so that both societies have an equal claim upon the community. The Red Cross work must be sustained for when a soldier becomes a casualty everything useful must be done. The Y. M. C. A. deals with the soldier in his idle or recreational times. It provides for his play, his studies, his social entertainment and for his devotional meetings.

The campaign to maintain this work has been advertised through Canada. Every newspaper has carried advertisements explaining and emphasizing the work. Locally, the committee have organized, and the following canvassers have consented to act: P. Naismith, chairman; A. M. Trail, treasurer; A. R. Schrag, secretary; H. W. Reeves, L. H. Stack, W. Mays, Ed. Syngé, J. C. McDonald, Dr. Knowles and Arthur Mitchell.

Others are being added to the list. They will endeavor to call on everyone, but it will lighten their labors, which are freely given, if people would hand in their subscriptions. So far the fund has been liberally subscribed to, the average subscription being \$10, but it is expected that a large number of subscribers will come forward who will swell the fund even though their individual totals so not average up as at present.

Don't hesitate to give, even if it must be a small subscription. Remember the treasurer is Mr. Trail. Send it to him if the canvasser happens to miss you. The boys at the front are sacrificing every comfort and offering their lives in standing between you and despotism; it is too much for you to give a little something to improve their lot. Make home nearer to them. Some boy is wounded; it may be your boy, it may be your neighbors boy; whoever he is, he is precious to his country and to the cause of liberty. Give, for the sake of liberty you value, the humanity you possess, give, and give again.

Mrs. O. A. Craig and son returned from Calgary last week.

Mr. and Mrs. C. D. Clark, who have been staying at the coast for the past few weeks, returned last week.

Mr. Oscar Klason, who was in Vulcan some time ago as manager of the National elevator, passed through Vulcan last Wednesday on his way to join the colors.

Miss Eva Yeo is visiting friends in Foremost this week.

Mr. Jones of the Bank of Hamilton, who went east to attend the funeral of his father some little time ago, returned to Vulcan on Tuesday.

Mrs. G. E. Pettman left on Monday evening for Ontario, where she will visit her parents for a few weeks. Born—To Mr. and Mrs. Wm. McPherson, Vulcan, on Monday, May 6th a son.

The treasurer of the local branch of the Red Cross Society desires to acknowledge the following subscriptions: E. Syngé \$25, E. R. Finch \$10, P. Enzenauer \$5, Robert Syngé \$25.

Three loads of cattle went through from the Blackie district to the Swift Canadian plant, Edmonton, last week.

Mrs. McNeil and children from Brant are visiting with Mr. and Mrs. T. Blair, Granum.

The C. E. Dovey auction sale last Monday, conducted by C. C. Rebbe, C. B. Shimp and T. R. Farrand was one of the best sales ever held in this part of the country, and Mr. Dovey was well pleased with the results. The sale ran well over the \$8,000 mark, of which only \$925 was in notes.

The balance being cash, which speaks well of this district. Horses sold well, averaging over \$200 per head, and one cow and calf sold for \$150.

BUYING YOUR WINTER'S COAL

To the many slogans which have been coined as an aid to memory on war work there is yet another which might with reasonableness be added to the list. It is "Begin buying your coal for winter now." On the face of it there might appear to be grounds on which a person who followed the advice might be accused of coal hoarding; grabbing it before the other fellow got a chance and leaving him to shift as he may when the cold weather comes. But such is not the case, for the advice is giving by the provincial fuel controller. His reasons are many but the most serious of them are two: employment and transportation. It is necessary, if the fuel supply for winter is to be mined that the mines are kept working during the better part of the summer months. This cannot be done unless the coal is purchased as it is produced as the owners cannot be expected to spend money on wages for so great a length of time without selling their product. As far as transportation is concerned, all available rolling stock in the fall will be required to move the wheat crop, which, it is anticipated, will be larger than ever this year. This, together with transportation necessary for military purposes and munitions is going to occupy the available shipping facilities and there will be no room for the coal.

When all is said and done, all that is asked of the coal consumer is that he avail himself of priority in the matter of shipment, and if he is wise, he will do that.

There is yet another point, which from the consumer's point of view is of strongest appeal, and it is that during the summer months coal is cheaper than at any other time of the year, and if that alone is not some what of an incentive during these times of H. C. L., little else can be.

The Lord's Day Alliance at Toronto will endeavour to stop gardening on Sundays. If they manage it their next move will doubtless be to stop the garden stuff growing. We have a great admiration for these comfortable outfits who are never happy unless butting in.

REGARDING THE HALF HOLIDAY

What are the chances for the mid-week half holiday this year? Last year the idea was tried out, and although commenced late in the season it gave the people in the stores an opportunity of getting out and enjoying a little recreation. All things being equal, there is no reason why the half holiday should not be continued this year. From whatever standpoint the matter is regarded it is a good idea, and we should do all we can to encourage the out-of-door chances of recreation of those whose lot is cast indoors from Monday morning until Saturday night.

We commend it to those who will benefit thereby.

A good moral to follow is whenever you see a fly, swat it. They are not on the list of articles to be produced and yet if you leave them alone they get too many for you.

A drive through the country these days when the wheat is just showing through the earth is one of the best tonics in the world. The Reid Hill district is living up to its reputation of being first and foremost. So far it is the best looking country around, and that is saying something.

POOL ROOM REGULATIONS

It appears to us that the regulations recently made at Edmonton regarding pool rooms, will work a hardship on many country hotel throughout the province. In Vulcan there is the Imperial hotel which has given the travelling public very excellent service in the matter of bed and food accommodation. With the introduction of prohibition the proprietors reconstructed the interior of their buildings to conform with the law and opened up their bar for soft drinks in the pool room where one man could supervise both departments. It is a well-known fact that the hotels have had difficulty in financing the bed and board departments of their business and it required the revenue derived from the combined pool and barrooms to make both ends meet. Such being the case it appears to us that the legislation recently passed has been hasty, for the hotelmen were not made aware of the change until it was announced through the press. The new law practically compels hotel men to go out of the soft drink business or adjust their premises again at heavy cost to themselves. The country town hotel keeper is entitled to more consideration.

It seems to us that the new law regarding poolrooms is too stiff altogether. As soon as we find a good substitute for the bar it has to be done away with. What's the matter with hotelmen anyway; haven't they got enough trouble?

TWO NEW COMPETITIONS AT THE FAIR

This year's Agricultural Fair will witness what we believe to be an innovation at a country fair, prizes for musical proficiency in pianoforte and vocal tests. Already those who are engaged in teaching these branches of art have given their approval to the scheme, and there is little doubt that there will be a number of entries in both classes.

The scheme is a departure from the usual awards, but the donors of the prizes feel that by commencing contests of this description they are not only giving encouragement to the large number of musical students in the district, but that they are also helping to raise the standard of music a little higher in the rural communities. In the cities music is accorded a more or less serious reception and becomes part of the life of the people. In the rural communities a musical vocation is very often considered as little else than a fad; its intrinsic value in relation to our lives has not yet been seriously considered; electric pianos and canned music have been sufficient to cater to our finer musical susceptibilities. But the day for such an outlook is timed to go, and we must be awakened to realize that the beautiful in music is as much an essential of life as the every day affairs to which we have become accustomed. Like these latter, music should be no less the second nature of our communal life and development. Roughly, it is with this idea in mind that the competitions have been commenced and given a sympathetic reception there is every reason to believe that they will yearly become one of the main attractions in the district.

German airplanes are now attacking defenseless Dutch fishing vessels. What the Hun won't do in the way of meanness cannot be done.

And just about now, when every seasonable sport from baseball to gardening is being brought into play, what about the local automobile club? Dead?

And when you are asked to help the Red Triangle campaign, give. "If you don't come across, the Kaiser will" is a saying with more truth than poetry about it.

THE WAY WE ORGANIZE

"Isn't it funny" says our neighbor "that day after day in Calgary papers one sees the names of the same women, rushing frantically from meeting to meeting, appealing for farm help, agitating for this and that. I wonder if ever it has occurred to those same women that it would be very sensible of them if they would quit talking and go out themselves to do a little farm work."

Goodness knows there are enough calls from farm women, women with little babies, maybe expecting more babies, at their wits' end for help, ready to pay any money. And no help forthcoming. It would be a fine thing if some of these "meeting maniacs" in Calgary, gave their brains a rest and did a little practical manual labor, just to show that they mean what they say."

All fighting men in Canada's army should be on the same basis in respect to pay. One man's life is worth as much as another's.

A new food board regulation effective on May 1st prohibits the feeding of wheat or any of its products except bran and shorts to be fed to live stock or poultry.

And isn't it strange that almost every occasion, where there is to be a talk on food production and conservation, opens up with a banquet. We are very practical people.

The bonfire affair of a few days ago only illustrated the necessity of having all bylaws passed at the beginning of the year instead of waiting to be reminded that they should have been in force for weeks.

A certain Senator, in complaining of the waste in government printing, says it takes him all his time to burn the blue books and reports he receives. Which reminds us that Gladstone read every blue book that came to his hands.

Among one of the many questions discussed by the Returned Soldiers' Commission held at Edmonton recently a resolution was passed to be forwarded to Ottawa, that returned men be granted \$40 instead of \$8.00 for the purchase of a civilian suit of clothes upon their discharge. It appears to us that \$8.00 would not go very far in supplying of clothes at present prices.

Get Behind the Wheel of a Ford and Drive

TRY it just once! Ask your friend to let you "pilot" his car on an open stretch. You'll like it, and will be surprised how easily the Ford is handled and driven.

If you have never felt the thrill of driving your own car, there is something good in store for you. It is vastly different from just riding—being a passenger. And especially so if you drive a Ford.

Young boys, girls, women and even grandfathers—thousands of them—are driving Ford cars and enjoying it. A Ford stops and starts in traffic with exceptional ease and smoothness, while on country roads and hills its strength and power show to advantage.

Buy a Ford and you will want to be behind "the wheel" constantly.

CHAMPION NEWS

For the benefit of convenience of the farmers throughout the Champion district the proprietors of the Champion Meat Market have inaugurated a system whereby a clean, sanitary, up-to-date meat market will be conveyed to the homes of the farmers each week, who are living some distance from town.

Mr. Roberts is putting in another Ford motor van for school purposes.

Mr. Clarence Davis has purchased a Ford tractor. The body is under construction by C. J. Roberts.

Mr. Percy Watson was a business visitor to Taber last week.

Mr. Oscar Simonson, formerly of the McLaughlin garage, has taken over the Kilborn motor business.

Mr. H. M. Durkee and family moved to Lethbridge last Sunday.

Miss Brainard spent Saturday and Sunday at the parsonage last week.

Norman Porter of Medicine Hat, a former Champion ball fan, is in town this week.

Martin Clever and son will have 1900 acres in crop this spring.

Mr. George Mark was a business visitor to Medicine Hat on Tuesday.

Gordon Holmes has returned to Belmont, Man., to report for military service.

Champion junior baseball team was organized last Saturday afternoon and the following officers were appointed: manager, Kelly Pike; captain, Charles Wright; secretary, John Clever.

About fifteen members of the local Masonic lodge visited Carmangay lodge last week.

A new feature will be introduced in the Sunday school in a week or two, namely "A trip to Palestine." This feature will be interesting and instructive from beginning to end. Book your passage early as there are only two ships chartered to handle the crowd. Announcement of the date of sailing will be made later.

SCHOOL MEETING

A meeting of the trustees of the Champion consolidated school No. 40 was held in the office of the secretary-treasurer on Friday evening, all members of the board being present. On a motion of Edwards-Ulich the secretary was authorized to tender a vote of thanks to the Church board for the kind offer to use the Church for school purposes during the months of May and June. The question of an additional teacher was considered, and the application of Miss Roe was accepted at a salary of \$945.00. This makes a staff of five teachers. Miss Roe has a first class certificate and will be a splendid addition to the staff. The janitor was instructed to have all the necessary equipment in the school for May 1st.

Celebration Meeting

A meeting was held in Mark's hall on Saturday evening to arrange for the Red Cross celebration on May 24th. George Mark was appointed chairman, and Mr. Halbert secretary pro tem. The following resolutions were passed: That the proceeds of the celebration, minus the necessary expenses, be turned over to the local Red Cross Society; that the regular league game between Champion and Vulcan be included in the programme; that another baseball game between Champion junior team and another junior team be also included in the programme.

Champion Crop Report

Fully 95 per cent of the seeding is done throughout the Champion district. In fact, most of the grain is above ground and doing nicely. The grain as yet is not suffering in the least from want of moisture.

THE sole head of a family, or any male over 18 years old, who was at the commencement of the present war, and has since continued to be a British subject or a subject of an allied or neutral country, may homestead a quarter section of available Dominion Land in Manitoba, Saskatchewan or Alberta. Applicant must appear in person at Dominion Lands Agency or Sub-Agency for District. Entry by proxy may be made on certain conditions. Duties—Six months residence upon and cultivation of land in each of three years.

In certain districts a homesteader may secure an adjoining quarter section as pre-emption. Price \$3.00 per acre. Duties—Resides six months in each of three years after earning homestead patent and cultivate 60 acres extra. May obtain pre-emption patent as soon as homestead patent on certain conditions.

A settler after obtaining homestead patent, if he cannot secure a pre-emption, may take a purchased homestead in certain districts. Price \$3.00 per acre. Must reside six months in each of three years, cultivate 60 acres and erect a house worth \$300.00.

Holders of entries may count time of employment as farm labourer in Canada during 1918 as residence duties under certain conditions.

When Dominion Lands are advertised or posted for entry, returned soldiers who have served overseas and have been honorably discharged, receive one day priority in applying for entry at local Agents Office (but not Sub-Agency.) Discharge papers must be presented to Agent.

URGE HOUSEHOLDS TO ADOPT NEW FOOD REGULATIONS

Henry B. Thomson, chairman of the Canada Food Board, in a statement issued recently urged that as a patriotic duty the regulations of the food board relative to public eating places and those now governing the manufacture of biscuits, cakes, ice cream, etc., should be observed voluntarily in every household throughout Canada. It is necessary that this should be done, Mr. Thomson stated, if Canada were to do her utmost to send overseas those supplies which were so greatly needed.

Mr. Thomson said that some misunderstanding had occurred as to the confectionery products which it is now illegal to manufacture for sale. The list is as follows:

Products known as French or puff pastry.

Doughnuts or crullers.

Biscuits or cake known as Scotch short bread or cake.

Fancy almond macaroons or like products containing more than 50 per cent. of cane sugar.

Marshmallow which contains more than 20 pounds of cane sugar to a sixty-pound batch of marshmallow.

Cakes or biscuits having on the exterior products made wholly or in part of cane sugar or filled with products of cane sugar or with shortening, except jams, jellies and pure or compounded fruit.

Reports received from all parts of Canada indicate that the food board will have the fullest co-operation of the trade in carrying out the regulations.

CANADA'S NEW WAR TAXES

The following is a complete summary of Canada's new war taxes as announced by Hon. A. K. MacLean:

Special C.P.R. tax, \$7,000,000.
Additional tax on packing industry.
Change in business tax applying to businesses employing capital of \$25,000 to \$50,000. Rate will be 25 per cent. of amount by which profits exceed 10 per cent.

Income tax exemptions reduced to \$2,000 for married men and \$1,000 for unmarried. Rate will be 2 per cent. There will be additional exemption for married men of \$200 for each child under 16 years of age.

In addition to the nominal tax and super-tax a war surtax assessable up to and inclusive of the calendar year in which the war ends upon the tax payable as follows:

On incomes of \$6,000 to \$10,000, 5 per cent.; on incomes in excess of \$10,000 and not exceeding \$100,000, 10 per cent.; on incomes in excess of \$100,000 and not exceeding \$200,000, 25 per cent.

Tobacco, 10c to 20c.

Cigars, \$5 to \$6 per 1000.

Cigarettes, \$3 to \$6 per 1000.

Raw leaf (customs), 28c to 40c per pound.

Coffee, 5c per pound preferential, 7c per pound general.

Tea 10c per pound.

Beverages requiring malt, rice or corn, containing not more than 2 1/2 per cent. proof spirits, raised from 25 per cent. ad valorem to 40 per cent. ad valorem.

Sleeping car berths changed to 10 per cent. with minimum of 25 cents; parlor car 10 per cent.

Moving pictures, 5c per lineal foot of film.

Automobiles, phonographs, jewelry, gramophones, talking machines and mechanical pianos, 10 per cent. on selling prices.

Playing cards, 8c per pack.

Matches, 1c per hundred.

VEGETABLE GARDENING FOR EVERYBODY

If you are cultivating a vegetable garden either at home or on a vacant lot, it would be an evidence of wisdom to send to the Publication Branch, Department of Agriculture, Ottawa, for Circular No. 14, entitled, "Vegetables Gardening at Home and on Vacant Lots," and prepared by the Dominion Horticulturist. This circular, which can be had free of all cost, supplies information of a practical nature on every vegetable that it is desirable to cultivate for domestic consumption. It gives advice on the preparation of the soil, and on planning and arranging the garden, quotes examples of success achieved in 1917, supplies a list of the best varieties of vegetables for different districts, and describes how the growing plants can be protected from disease and insect ravages.

ARBOR DAY, MAY 10th

Friday of this week, May 10th, has been proclaimed by the provincial government as Arbor Day for this province. The day is not necessarily a public holiday, but it can be celebrated as such if so desired.

APPLICATION FOR LEASE OF ROAD ALLOWANCE OR SURVEYED HIGHWAY

Notice is hereby given that R. K. B. Knowles of Vulcan, has made application to the Minister of Public Works, Edmonton, for a lease of the following road allowance or surveyed highway, viz., between sections 33-34 17-22-4.

Any protest against the granting of the above mentioned lease must be forwarded to the Minister of Public Works, Edmonton, within thirty days from the date of this notice.

Dated at
R. K. B. Knowles, Applicant.

NOTICE

In the Matter of the Enforcement of "The Motor Vehicle Act"

NOTICE is hereby given that the provisions of the Motor Vehicle Act are to be rigidly enforced. There is no defence for a person operating an unlicensed motor vehicle at this date, as immediate delivery of Automobile Number Plates may be obtained not only at the Departmental Office at Edmonton, Calgary and Lethbridge, but also from the Clerks of the Court at Peace River, Wetaskiwin, Camrose, Stettler, Red Deer, Medicine Hat, Bassano, Macleod and Taber, and from the Process Issuer at Fort Saskatchewan, Vegreville, Lloydminster, Sedgewick, Hardisty, Coronation, Vermilion, Wainwright, Oyen and Youngs town.

The Motor Vehicle Inspectors of the Department have instructed to see that the Act is strictly enforced in its entirety.

Dated at Edmonton this 11th day of April, A. D., 1918.

E. TROWBRIDGE,
41-1 Deputy Provincial Secretary.

DO YOU WANT BREAKING DONE

If you want your land broken and can not make your own arrangements kindly notify A. E. Qually, Board of Trade Building, who has been appointed by the Provincial Government to bring together those who have engines or horses and can contract for breaking with those who have breaking to let in the following territory: Little Bow, Taber, Warner and Lethbridge.

CAN YOU DO BREAKING

If you are in a position to do breaking get in touch with Mr. Qually, who has, as stated above, been sent here by the Government to tell you of those who have breaking for you to do.

ARE ASKING FOR MORE RED CROSS WORKERS

Appeal to All Ladies is Sent
Out by Provincial Head-
quarters; Casualties are
Growing; And Work
Must Increase
Also

Miss Fair, the secretary of the Vulcan branch of the Red Cross Society, has received the following letter from provincial headquarters asking that women all over the district co-operate in the matter of Red Cross work. It is hoped that the answer to the appeal will be sufficient to cover the growing needs of the Society in looking after the soldiers.

In view of the terrible conflict of the

past few weeks, the demands on the Red Cross Society are becoming each day more serious. At the outset of the present fighting, the Head Office of the Canadian Red Cross cabled England as follows:

Hodgetts, London.
"Executive Committee met today. Instructed me to cable you not to let wounded suffer for lack of anything we can provide."

Marshall, March 25th.
It was felt that this cable expressed the sentiments of the Canadian people, and that whatever demands the Red Cross may have to meet, the men and women of Canada would be ready to raise to the emergency.

In view of the seriousness of the situation, a special appeal is issued to Red Cross workers connected with

City and Town branches of the Society throughout Alberta, as it is felt that on the women of these branches there rests today, a greater responsibility than at any previous time during the war. The attention of every woman connected with Red Cross work of these Branches, is directed to the fact that during the coming months, Canadian country women have little leisure to devote to Red Cross work, and that in consequence our output of Red Cross Supplies is less during these months than at any period of the year.

Last week alone, over 12,000 British casualties were added to the men already wounded and disabled. The Red Cross can adequately meet the enormous demands made upon its supplies, only through the united efforts of all those workers who, having leisure to do so, are willing to devote still more time to the preparing of supplies for our sick and wounded.

The Red Cross is today the greatest mother in the world. It is the mother of millions, while millions of mothers wait and pray at home. How much this work means is learnt only by those who are giving their services at the front, and to whom these services are given.

As the conflict grows greater, so do the needs of the Red Cross increase. Under these circumstances, Canadian women of out towns and cities are urged to co-operate to the utmost with their respective Branches, to ensure an adequate output of supplies during the coming months.

Mary E. Waagen,
Hon. Supt. of Supplies and Joint Sec.

It is pleasing to note that much of the land that was vacant in town on former years is now being made to produce. Potatoes is the popular crop here and there will be no dearth of that commodity here during 1918-1919 if an average yield is produced.

THE IMPORTANCE OF EARLY HATCHING

Hatch early. Make every effort to get your chicks out this spring before the 24th of May. The lighter breeds may be hatched up to the first of June but as a rule, the heavier breeds hatched later than the 24th of May are not satisfactory. At least 90 per cent of the pullets in Canada were not laying during November and December the past winter, because they were hatched too late.

If you are depending upon your own flock for breeding eggs mate ten to fifteen days before setting. Test the eggs for fertility so that you will be sure you are not setting many without good fertility. If you are using incubators set early, but do not count on more than three hatches. If you can get all the chicks out in one hatch, so much the better. If hens are used, use some system. (See Exhibition Circular No. 1. Experimental Farm, Ottawa.) If the hens are too slow in becoming broody see if you can get some custom hatching done or purchase day-old chicks. Get in touch with good breeders in your vicinity, or write your nearest Experimental farm.

There is more money wasted each year because of late hatched pullets than is often made from the rest of the flock.

No late hatches. Do not be misinformed. Late hatched chickens as a rule do not pay. "One more hatch" will not help the Empire. Better to sell the eggs and save the feeds.

A BARN DANCE

A barn dance will be given in Porter Noyes' new barn on Friday, May 17th. The Reid Hill Women's Institute will furnish the music and lunch, the proceeds to be given to the Reid Hill Red Cross Society.

HON. D. MARSHALL SAYS 50 PER CENT INCREASE ACREAGE

An increase of 50 per cent in the acreage under crop this year is the way it looks to Hon. Duncan Marshall, minister of agriculture. Reports to the department from all parts of the province and his own observations through the country between Edmonton and Calgary indicate, according to Mr. Marshall, an ever greater response to the appeal for more production than was expected. Last year's acreage of 6,250,000 acres probably will be raised to 9,000,000 acres, the increases being fairly distributed from north to south.

The reason for this substantial excess over 1917 is thought by the minister to be largely a matter of good weather and favorable spring opening. The land is reported all over Alberta to be in the best of condition, and early seeding has been general. A better spring season there has never been, said Mr. Marshall, and the outlook is distinctly promising.

VULCAN SCHOOL REPORT FOR APRIL

No. of pupils in attendance, 33.
Average attendance for month 39.05
Percentage for month, 91.06
The following is a list of names of pupils who have made over 60 per cent during the month.
Grade II, B—Edith Robson, Buford Walker, Vietta Grant, Dorothy Kothlow, Robert Spooner, Lowell, Granlin, Charlotte Knowles.

Primary A—Olive Burns, Zora Green, Dorothy Martin, Charlotte Recor, Mildred Gardner, Margaret Trail.

Primary B—Rosie Korczynski, Francis Margrave, Alice Klebe, Gaylord Fizer, William Peterson, Chester Dewie.

Primary C—Leslie Hanson, Leo Loiselle, Sylvia Green.
Miss C. A. Jarrett, Teacher.

INTERMEDIATE ROOM

No. of pupils enrolled, 35.
Average attendance, 80.7
Percentage of attendance 87.71.
Pupils making over 60 per cent.

No. enrolled 39.
Average, 33.64
Percentage, 86.25.
Those making over 60 per cent.

Grade III—Marian Lebow, Nancy Clappison, Genevieve Hutson, Stella Dewie, Jewel Gardner, George MacPherson, Albert Flood, Mable Hudson Phyllis Trail, Charles Kaiser, Ernest Reece, Normand Jennejohn, George Seaman, Reggie Frost, Florence Recor.

Grade II—Henry Getz, Hazel Eamor, Muriel Brown, Earl Johnston, Norma Vanskiver, Hazel Carruthers, Veronica Reed, Ralph Schrag, Glen Robbie, Emil Mutz, Russell Robbie.

CHAMPION NEWS

(Continued from Page 3)

Mr. Halbert of the Bank of Commerce has returned from his vacation.

Born—To Mr. and Mrs. Goodnight, on April 30th, a son.

Red Cross Notes

Last Friday afternoon at the regular sewing meeting five sewing machines were in full swing all the time. The interest in the work in increasing every week.

Mrs. Puzey and Mrs. Philpott, not being able to attend the meeting in the Church, reported sewing at home.

Two more life members added to the list this week: Mr. and Mrs. Moffatt. A new active member is Miss Evelyn Adams.

Mrs. M. Moffatt kindly donated a sewing machine to the Red Cross last week. This gift was received by the Society with hearty thanks.

Joe Marks delivered goods for the Red Cross last week.

Members wishing to purchase membership pins may secure them at the sewing session for 25c.

Monies taken during the week: Life memberships, \$50, active membership \$2, membership pins \$2.75, total \$54.75.

The next regular sewing meeting will be held in the Church on Friday afternoon. Girls sewing meeting in the Church on Thursday evening at 8 o'clock.

A place for every lady interested in Red Cross work in the Champion Society.

Ladies Aid Anniversary

The third anniversary of the Ladies Aid will be held on Friday, May 10. Programme in the afternoon in the Church; bazaar, sale of home cooking; evening; literary and musical entertainment in Mark's hall at eight o'clock.

CALL MEN 19 YEARS OLD

Men of 19 years of age are to be called upon to register for military service. A proclamation to this effect will be issued shortly and, it is understood will provide that men must register before the 1st of June. None of the men will however actually be called to the colors before July. The proclamation will apply to unmarried men and widowers without children born since October 13, 1897.

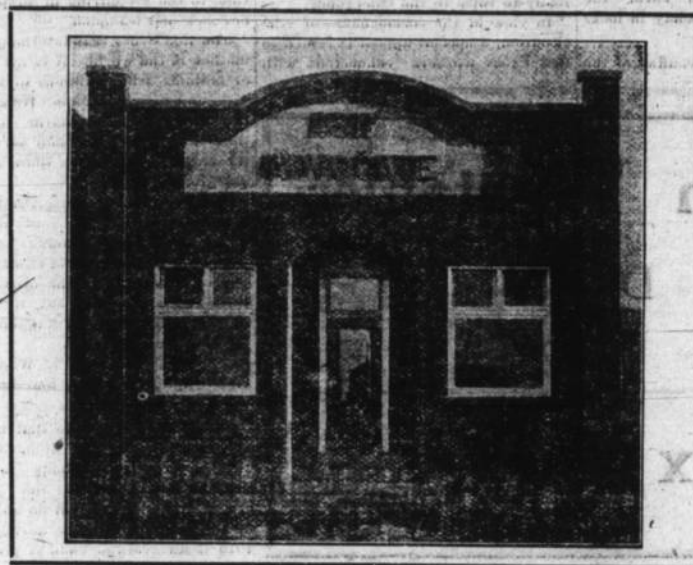

The men will be required to register through the post offices as was the case last fall. The men will simply give their names and addresses and such details as will permit full registration to be effected. The actual call to the colors will be received by registered post from the district registrar.

The weather during the past week has been all that the farmers could desire for working, if it was not for occasional high winds. There have been local rain showers, but they have not been more than sufficient to lay the dust. At present, however, there is every indication of early rain. While rain is not badly needed for a few days, it will be very welcome as some farmers say that their land is very dry.

"Morning, Noon and Night"

Can You Value Printing?

It sounds a simple question, but how many men of your acquaintance treat the printed matter end of their business as anything more than a casual adjunct to their business, something to order and leave with the printer for completion? And yet it is far more than that. Printer's ink has revolutionized every business under the sun and is playing as big a part in the war as any other force. Take this into consideration when next you place an order and if you want it done effectively and economically, giving the best value for your outlay, leave it with

Auctioneer.

HEARNLEIGH ITEMS

Pte. Angus Sinclair is in the hospital at Glasgow, suffering from nervous prostration.

Leslie Richardson is one of our young men called to service under the new military act.

Mr. and Mrs. W. Hill were visitors at the Tipperary ranch last week.

Both 'umble and 'earfelt are the apologies offered to Messrs. Hugh Baden and Fred Noble for mistaking their Gray Dorts for just ordinary Chevrolets.

Once again does the mail time change for the Hearnleigh post office, arriving now somewhere around noon. Sooner or later according to the conditions of the roads, and the disposition of Mr. Bond's "Lizzie."

One very fine day last week Miss Evelyn Leahy drove a few of her friends to the Indian reserve in her little Henry where a most enjoyable day was spent.

Veteran P. Storey is back with us again.

Mr. Storey intends to employ his time this summer by improving the roads of the Marquis Municipality.

Crops are practically all sown here and rain is needed. Farmers are anxiously watching the clouds.

Miss Goodwin spent the weekend with her friends at the Hearnleigh post office.

REID HILL WOMEN'S INSTITUTE

The Reid Hill branch of the Alberta Women's Institute met at the home of Mrs. D. McIntyre on Wednesday, May the 1st.

Mrs. C. Greenlee was elected as president. The ladies decided to send flowers to the members in the hospital.

It was passed that the Institute furnish the lunch and music for the barn dance at Porter Noyes' on Friday, May 17th to proceed to be given over to the Red Cross Society of Reid Hill.

The next regular meeting will be held at Mrs. John Marshall's on Wednesday, June 5th.

MAILS TO ENEMY COUNTRIES

With regard to the arrangement instituted whereby correspondence of a private and family nature can be forwarded from individuals in Canada to persons in enemy and enemy occupied territory through the medium of Thos. Cook & Son, 530 St. Catherine St., W. Montreal, difficulty is being caused owing to persons remitting the charge for forwarding these letters (35c) by postage stamps instead of by means of a Postal Note for 30 cents with five cents in postage affixed thereto.

The attention to persons sending such correspondence is particularly directed to this as in future where the charges are remitted by means of postage stamps the letters will be returned to the senders.

BLACKIE NEWS

Mr. Bert Chalmers has purchased from Mrs. M. L. Fraser, of Millarville, her ranch property. Several years ago Mr. Chalmers purchased the Harold Smith ranch in the same district and the recent purchase gives to Mr. Chalmers a fine ranching proposition. He will go to Millarville to reside.

The people of Blackie and district will no doubt appreciate the efforts of the Auditorium company in securing the big Hawaiian Play, "A Daughter of the Sun" to appear in Blackie on the evening of Saturday, May 11th. Great interest was created in Winnipeg where it opened at the Walker Theatre for a week on April 15th. The same company will appear in Blackie and the people of the town and surrounding districts should turn out in large numbers in order to make the event a success. See programme and bills for particulars.

Blackie has now three lumber yards. The Beaver Lumber Co. being the last to open. There was good business for one yard, and possibly enough for two, but where three yards can prosper is beyond us. Looks like a waste of time, labor and money. However, time will tell.

ORGANIZING BOYS AND GIRLS HOG CLUBS IN PROVINCE

To the Alberta Registered Swine Breeders:

The undersigned is endeavouring to organize for the Department of Agriculture a number of pig clubs for boys and girls throughout the Province. Already a large number of places have asked for those clubs, but we are finding great difficulty in securing a sufficient number of small weaned sows to meet the demand. We would like to distribute these small weaned sows, approximately six to eight weeks old, from about May 20th to June 15th and would, therefore, like to hear from any or all of the Swine Breeders of the province with regard to such pigs that may be for sale.

The breeds asked for by the clubs that have been visited so far are as follows: Berkshire, Duroc Jersey, Yorkshire, Poland China and Hampshire.

We might add that what we want is registered stock, or stock that is eligible for registration and such stock as will eventually make first class brood sows. At present we can secure all the grade pigs that the clubs are calling for.

Will those who have weaned sows that will be ready for delivery between May 20th and June 15th kindly communicate with the undersigned at once, stating exact date of birth of pigs, together with price F.O.B. shipping point. In all cases crates must be supplied by the shipper.

On account of the difficulty in securing a sufficient number of pigs we cannot organize this year any more pig clubs than those that have already applied for organization, and even in the case of these it may be impossible to meet all the demands. However, we are doing our utmost in this direction. If this same work is carried out next year then the points that desire organization and that can be properly cared for will receive attention at the proper time.

W. J. ELLIOTT,
Principal School of Agriculture, Olds, Alberta.

Horse Route Cards

Owners of stallions are obliged by law to have registration papers posted. The ADVOCATE can print a card to suit your particular fancy. Prices ranging from \$5.00 upwards.

ADVOCATE Press Vulcan Alberta

Vast Issues Depend Upon the Welfare of Our Men!

Cheer Up and Thank God for the Y.M.C.A.

TRY to picture yourself in the muddy cold trenches after exciting days and long nights of mortal danger and intense nervous strain. Rushing "whiz-bangs" and screaming "coal boxes" are no respecters of persons. You are hit! But despite shock and pain you still can face the long weary trudge back to dressing station. Weary, overwrought and depressed, you are prey to wild imaginings of that other coming ordeal with the surgeon. There are other "walking wounded," too! You must wait, wait, wait. And then—

Up comes a cheery Y.M.C.A. man, the ever-present "big brother" to the soldier, with words of manly encouragement. Close beside the dressing station the good generous folks at home have enabled him to set up a canteen. He hands you biscuits, and chocolate or coffee.

Y.M.C.A.

Red Triangle Fund

\$2,250,000, May 7, 8, 9

Canada-Wide Appeal

"In thousands of cases," writes an officer, "it was that first hot cup of coffee that dragged the man back to life and sanity."

The tremendous helpfulness of the Y.M.C.A. as an aid to the "morale," or fighting spirit, of the soldiers is everywhere praised. No wonder the Germans make every effort to smash the Y.M.C.A. huts out of existence.

The Y.M.C.A. is everywhere. You first met the helpful, manly Y.M.C.A. worker in camp, then on train and boat, at camp in England and in France, close to the firing line. Often he risks his life to reach you in the trenches. He has won the warmest praise from military authorities, statesmen—the King!

Have you a precious boy at the front? You cannot be "over there" to guide him away from fierce temptations of camp and city. You cannot comfort him in his supreme hour of trial. Your parcels to him are necessarily few. But the Y.M.C.A., thank God, is "over there," going where you cannot go—doing the very things you long to do—doing it for you and for him.

Will you help? This vast organization of helpfulness needs at least \$2,250,000 from Canada for 1918. For your boy's sake be GENEROUS!!

National Council, Young Men's Christian Association

Campaign Directors for Western Canada

British Columbia: J. S. Rankin, 607 Board of Trade Bldg., Vancouver

Alberta: John Hanna, City Hall, Calgary

Saskatchewan: T. D. Patton, Y.M.C.A., Regina

Manitoba: J. H. Crocker, 1106 McArthur Bldg., Winnipeg

War Work Summary

There are:

- 96 branches of Canadian Y.M.C.A. in France.
- 79 branches in England.
- Dozens of Y.M.C.A. dug-outs in forward trenches under fire.
- Over 120 Military Secretaries overseas.
- 300,000 letters a day written in Y.M.C.A. overseas buildings.
- \$133,000 needed for athletic equipment. (Helps morale of soldiers.)
- Y.M.C.A. saved hundreds of lives at Vimy Ridge by caring for walking wounded.
- Over 100 pianos in England and France, also 300 gramophones and 27 moving picture machines.
- Y. M. C. A. helps boys in hospitals.
- More than 60,000 cups of hot tea and coffee distributed daily in France—free. Estimated cost for 8 months, \$48,000.
- 150,000 magazines distributed free every month. (Estimated cost \$15,000.)
- \$125,000 used in 1917 to build huts in France.
- Concerts, sing-songs, good-night services and personal interviews energetically conducted. Concerts, lectures, etc., cost \$5,000 a month.
- Thousands of soldiers decide for the better life.
- Y.M.C.A. sells many needful things to soldiers for their convenience. Profits, if any, all spent for benefit of soldiers.
- Service to boys in Camp hospitals.
- Red Triangle Clubs for soldiers in Toronto, St. John and Montreal. Centres in Paris and London for men on leave.
- Out of Red Triangle Fund, \$75,000 to be contributed to the War Work of the Y.W.C.A.

Boys!

Here's your chance to do a fine stroke in the big war! Help the Y.M.C.A. to help your big brothers overseas by joining in the

"Earn and Give Campaign"

Six thousand Canadian older boys are invited to earn and give at least Ten Dollars (\$10) to the Red Triangle Fund. That means \$60,000 in all! Splendid! Five thousand dollars will be used for boys' work in India and China; another \$5,000 for the National Boys' Work of Canada, and \$50,000 to help big brothers in Khaki. Ask your local Y.M.C.A. representative for information and pledge card. When you have subscribed one or more units of Ten Dollars, you will receive a beautifully engraved certificate.
